Quite a class drop. Obviously little chance in the Mystic Lake Derby. Traffic problems two back. 6 th beaten 11 in MSW three back was a good race. VALUE: 7 RY'S REVENGE No clue what this one can do. Ran one time which came back in Sep at AP vs 40k maiden claimers. He broke slow and passed a few late. Long layoff and has been gelded since. Faces nothing. That was the best last race Beyer in this field. 4 th in that field won back in Mn-bred 40k at 7-1. In the money in 7 of 9 in her career. VALUE: 4 COCO LOCO MAMA Was third in the common race on 7-9. She went 5-wide in there and it likely cost her a shot to win at 24-1. There is going to be many that go for the lead and she'll be sitting behind. Fires late. Dropped to this level in last. Winner was a class dropper for Robertson. Rider won with a 7-1 first timer for this owner/trainer. VALUE: 2 GOING RUNNING TOO Check to see how Facing North does in the 4 th today. She won the race this one is exiting. Nibbled in MSW prior to last. Pedigree leans to sprints so rider must save something for later stages. Made an early move two back and was tagged. More patient in her last start and was strong late. All 5 wins were on this turf. Regular rider up. VALUE: 3 DEPUTY DORA Hasn't been quite as sharp here as she was at OP. Third three back was a huge effort vs much better at OP. Bobbled 2 back at the start as the 6-5 fav and was late. Gets the top 2019 rider for this one. She caught a tough field in last (top 3 all dropped in for that race). Drop here is the key. VALUE: 5 ANGIEMEANSBUSINESS Banking on the race won by A little Bit Techie to be a key race. The top choice is also exiting that race. She is making her second start off a long layoff. Has a nice 4F drill since last. Should improve. A) 8 B) 4,5,7 C) 2,6,9
