In the last 15 starts for them, he has 8 wins, 5 seconds and 2 off the board. It may look like a class drop but purse is twice the amount he ran for in Arizona. VALUE: 7 POP LIFE Last was likely a prep for longer. Didn't help his chances when he was off slow from an inside post. Canchari was up for the win two back. Last time at OP, 4 back, he ran a sneaky-good 4 th vs better. A) 4 B) 5,7 C) 1,3	4th OAKLAWN PARK R4 (2:52 CT) 55 CLM 12K, 6F DIRT 6 WENEEDTOTALK 5-2 2 MY DARLING SOFIA 6-1 7 CAN'T TOUCH ME 3-1 1 BACKSEAT PROMISES 12-1 PICK: 6 WENEEDTOTALK What if she doesn't want to be on a wet track or turf? You have to go back to FG in March when she ran on a fast dirt and was 2nd in an allw there. Diodoro is 30% first off the claim for this owner. VALUE: 2 MY DARLING SOFIA Had an apprentice rider up in last and she was steadied and clipped heels at a key moment and lost all chance. The Fairmount Park races transfer well to this class. Has two wins on this surface. Would not be surprised to see this one run dead last. The only runner this trainer had ran last week, a 1ster, ran 6 th of 12 at 57-1 encountering trouble. Sire and dam were speedballs. VALUE: 4 ROCK CITY ROCKET Comes out of the common race on Jan 26 th won by Destiny Way. That was a 6-1 first timer who hasn't run back. Drew a wide post for that comeback race and ran a decent race. RP races are not bad. A) 4,7,9,11 B) 3,5,6,12 C) 1,2,8,10

He's had excuses since. Routed 3 back, wet track 2 back, blinkers on in last (off today). This is a significant class drop. VALUE: 4 THE DEVILS BACK One of four who comes out of the race on 2/2/20 that was won by Good Judge. This one took a wider trip and ran even fourth at 14-1. He looked much better at Woodbine. Think he improves here. A) 1,4,6 B) 2,3,9,10 C) 5,7,8	8th OAKLAWN PARK R8 (4:42 CT) 70 OPT CLM 50K, 6F DIRT 7 HEAVENS WHISPER 3-1 3 WHOLEHEARTED 3-1 4 SUMMER STORM 7-2 2 EMBOLDENED 5-2 PICK: 7 HEAVENS WHISPER Turning out to be quite a claim. She was claimed for 6,250 twelve starts ago and won 5 times and been 2nd three more times. Winner in last returned to win in an opt clm 100k for Robertino Diodoro. VALUE: 4 SUMMER STORM She is 3 for 5 in the exacta at OP. Went a route for the first time last out and was steadied into the turn losing all chance. Back to sprint here and good to see Baze stay. Expect a move up 2nd off the break. Runner-up took the 150k Smarty Jones at 10-1. The 2 nd , 3 rd , 4 th , 5 th , 6 th , 7 th and 9 th place finishers all have won a MSW since. Sire won the G1 Arkansas Derby here. Just needs a trip. VALUE: 8 ICECAP Asmussen runner has had excuses in many of his starts. Troubled trip four back. Key race 3 back (winner nosed out in the 400k Springboard Mile). On turf and slop in last 2. Drop does help. A) 2,8 B) 5,6,10,11,12 C) 1,3,4,7,9

Inside speed dominates here. Hasn't been on fast dirt in nearly a year. Banking on getting loose today. VALUE: 7 COOK MEMORIES The competition at Turfway, due to the increase in purses, has been stronger than in prior years. This one was 2 nd a nose vs similar. Blinkers off here. May need pace to develop to run them down. A) 1,4,5 B) 3,6,7 C) 2
